

DKV has selected a network of dentists following the quality criteria defined in our questionnaire - “Quality and Administration in Dental Surgeries”

DKV has selected a network of dentists following the quality criteria defined in our questionnaire - “Quality and Administration in Dental Surgeries”

You have an extensive national network of over 1,400 dental surgeries staffed by over 2,000 professionals for the care of your dental health.

DKV Dentsalud Classic includes free dental treatment and other subsidised treatment at rates well below those of the market.

To use these services you must show your Dentsalud card.

DKV | ERGO is a team of specialists created to better attend to your needs. While DKV is the specialist that advises you on Medical Insurance, ERGO supplements this integral insurance offer focussing on the areas of Life, Home and Funeral insurance. Being together allows us to specialise in and devote ourselves in depth to the areas that interest you, to continue working for your peace of mind and reassurance.

Together, more reassured.

Call centre

Our Contact Centre can provide you with a full range of information. It is the only telephone call centre exclusively staffed by disabled people.

Everything that you need

DKV Dentsalud Classic offers you numerous care services and treatments, both to solve dental problems and to take preventive steps that will help to keep your mouth healthy. An extensive offer, through a national network of dental surgeries and professionals.

Very easy to contract

With neither limits nor differences for age. A health declaration is not required.

Very easy to use

You decide which associated dentist from the dental directory that you prefer to deal with and contact him directly. Without any periods of grace, or authorisation requirements. You can ask for a quote of the treatment you need. Your DKV Dentsalud card will identify you and provide you with access to the service.

Services

Diagnosis unit.

Odontology:

Preventative: dental clean, dental education.

Conservative: Conservative:

Medical: periodontics (curettage, hygiene, check-ups)
