

# DKV has selected a network of dentists following the quality criteria defined in our questionnaire - “Quality and Administration in Dental Surgeries”

You have an extensive national network of over 1,400 dental surgeries staffed by over 2,000 professionals for the care of your dental health.

DKV Dentsalud Élite includes more free dental treatment and more subsidised treatment at rates well below those of the market.

To use these services you must show your Dentsalud card.

## Protecting your dental health is the start of guaranteeing your general wellbeing.

**DKV | ERGO** is a team of specialists created to better attend to your needs. While DKV is the specialist that advises you on Medical Insurance, ERGO supplements this integral insurance offer focussing on the areas of Life, Home and Funeral insurance. Being together allows us to specialise in and devote ourselves in depth to the areas that interest you, to continue working for your peace of mind and reassurance.

### Call centre

Our Contact Centre can provide you with a full range of information. It is the only telephone call centre exclusively staffed by disabled people.

## Everything that you need

So that your dental health can enjoy all the attention that it deserves, DKV Dentsalud Élite has gone one step further, both in improved subsidies and in extending the free treatment.

Because we always want to see your biggest smile.

## An extensive offer

Through a national network of dental surgeries and professionals.

## Very easy to contract

With neither limits nor differences for age. A health declaration is not required.

## Very easy to use

You decide which associated dentist from the dental directory that you prefer to deal with and contact him directly.

Without any periods of grace, or authorisation requirements.

You can ask for a quote of the treatment you need.

Your DKV Dentsalud card will identify you and provide you with access to the service.

## Services

**Diagnosis unit.** Treatment plan, check up, dental X-rays.

### Odontology:

**Preventative:** dental clean, dental education, fluorisations.

**Conservative:** fillings, endodontics, etc.

**Medical:** periodontics, dental or facial neuralgias.

**Surgical:** simple or complex extractions.

**Odontological prostheses.** Fixed and removable. Repair treatment.

**Orthodontics.** Study, assessment and diagnosis. Corrective orthodontics for children, adolescents, and adults.

**Dental aesthetics.** Whitening, ceramic caps, porcelain incrustations, etc.

**Implants.** Titanium implants, ceramic implants over crowns, etc.

### Other coverage

In case of a serious dental accident (affecting more than three dental pieces), compensation up to a maximum of **6.000 Eur** within a maximum period of one year from the date of the accident.

## Free treatment and big discounts on subsidised coverage (some examples)
