

## Health care made to measure

**DKV integralia** 

Fundación para la integración laboral de personas con discapacidad

**902 499 350**

**Call Centre: Integralia Foundation**

Our Contact Centre can provide you with a full range of information. It is the only telephone call centre exclusively staffed by disabled people.

### Module A

#### PRIMARY CARE

Basic annual cardiological check up; standard X-rays (without contrast); ambulances; general medicine; paediatrics and child care; health care at home; 24 hour emergency hospital care; clinical analyses, etc.

### Module B

#### SPECIALISTS

Consultations for all medical specialities: gynaecological check ups, specific preventative programmes, podiatry, psychiatry, rehabilitation, physiotherapy, psychology, etc.

Complementary diagnostic aids (radiology, ultrasound, allergy tests,...)

### Module C

#### HOSPITAL CARE

Without daily limits for surgery, medical and child care (except for psychiatry, which has a maximum limit of 60 days per year).

Childbirth

Prostheses

Dialysis

Intensive care unit, etc.

### And also...

**World wide emergency care.**

**Health care coverage** for accidents at work and traffic accidents.

**Guarantee that the company will not cancel the policy** regardless of the age of the insured person, after 3 years.

**Specific programme of preventative medicine:** infants' health, annual gynaecological check up, basic annual cardiological check up, prevention of bowel cancer, prevention of prostate cancer, programme of dental care.

**Transplants** bone marrow, liver, kidney, cornea, and heart.

**Psychology.** 15 sessions per year. Contribution 9 EUR per session.

**Refund abroad for serious illnesses** (individual policy with complete coverage only).

**Online authorisations.** Access your personal client area through our web page to do all your administration easily.

**Rapid appointment administration service.** We offer you a telephone helpline to speed up your appointment for a diagnostic test or surgical admission, authorised beforehand.

### Additional services

**Dental care.** Free and highly discounted rates of treatment.

**24 Hour DKV Paediatric Medical line.** 24 hour special telephone service to better attend to the needs of the little ones.

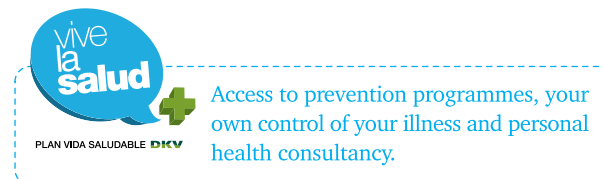

**Second medical opinion.** Consult the leading experts with international prestige at a distance about a serious illness.

### At special prices:

**Treatment:** refractive laser surgery, fertility service and assisted reproduction, conservation of mother cells of the umbilical cord, programme for giving up smoking.

**Biomechanic study of walking.** Analysis and diagnosis of your way of stepping and walking, besides the design and production of made to measure insoles.

And if you have an **individual policy**, you have many advantages with family care, wellness, medicine and aesthetics, discounts on opticians and surgical aids shops, etc.

This health policy allows you to take out the health care module that you need (primary care, specialist and diagnostic aids, or hospital care) or the three together.

Whichever module you choose, you can enjoy the protection of accident insurance: up to 30.000 EUR in case of death or total permanent disability.

In this way you and your family can enjoy private medicine paying only what you need to.

Telephone or internet medical consultation services to advise you and settle your doubts related to symptoms, health problems and medicines.
